

Apprenticeship / Industrial Clerk (m/f/d)

Description

Industrial clerks are indispensable in almost every industrial company. They handle business management tasks in areas such as sales, marketing, materials management, as well as human resources, finance, and accounting.

Responsibilities

You will learn the relevant tasks during the two-and-a-half- or three-year apprenticeship at JagoTech Paper and will be assigned to the corresponding departments within our company.

Qualifications

A good understanding of IT, a careful working style, and teamwork skills are essential for starting this profession. You should also have good English skills; knowledge of additional foreign languages is an advantage. You have completed your school education with either the general higher education entrance qualification or the advanced technical college entrance qualification.
